

Use this form to report complex inpatient ABI cases (in acute care or rehab). **Our aim is to track and report** a summary of these cases to the Ministry of Health to illustrate challenges with transitions from an inpatient setting. Patients must meet all criteria below:

1. Has a diagnosis of ABI; often in combination with other diagnoses (e.g. Mental Health, Addictions) **AND**
2. Has medical, behavioural, cognitive or physical impairments which can't be met by available resources **AND**
3. Has multiple barriers of specific nature prohibiting transitions (e.g. complex wound, isolation)

Reporting Organization: \_\_\_\_\_ Date: \_\_\_\_\_

Person completing Form (Name, Role): \_\_\_\_\_

Telephone & E-mail: \_\_\_\_\_

**Client Information**

Year of Birth : \_\_\_\_\_ Age at Injury: \_\_\_\_\_ Home Postal Code (first 3 letters): \_\_\_\_\_

Gender:  Male  Female  Other ABI Navigator contacted?  Yes  No [see next page for resources]

**Current Challenges Experienced** Provide details in blank space below (i.e. urgency):

- Housing  Mental Health  Substance Use  Responsive Behaviours  Funding or Legal  Medical  
 Other (e.g. Justice)

**Action taken to date** - Indicate past and current services explored, as well as services that are needed but unavailable, where known. Unavailable (U/A) is defined as a service not existing, or client does not meet admission criteria.

Service Type (indicate organization in space below)	Past	Current	U/A	Available but Long Wait (Indicate wait time below)
Inpatient Rehabilitation:				
Outpatient Rehabilitation:				
Home & Community Care:				
Outreach:				
Complex Continuing Care:				
Long Term Care:				
Behavioural Supports:				
Mental Health:				
Addictions:				
Community Provider:				
ABI Specific Supportive Housing or Assisted Living				
Other (specify):				

**Decline Reasons** – Select reason(s) why a patient was not accepted to a service, indicate service type in space provided.

- Behaviours \_\_\_\_\_  Program Admission Criteria \_\_\_\_\_  
 Funding \_\_\_\_\_  Sitter/Restraints \_\_\_\_\_  
 Family Expectations \_\_\_\_\_  Social Issues (e.g. Housing, Transportation) \_\_\_\_\_  
 Other (diagnoses, wound care, infection control) \_\_\_\_\_

Verbal consent obtained from client or substitute decision maker (SDM) to provide the information above to the Toronto ABI Network. Information collected will be used to report a summary of information to the Ministry of Health. Client and/or SDM have been advised that refusing or withdrawing this consent will not affect their care. No personal health information will be disclosed to the Ministry of Health.
